

Video Production/Editor for Bluebeam Software

Celebrating our 10th year, Bluebeam Software is a growing technology company made up of people who like to push the limits, be different and do great things. Our award-winning software is used by leading architecture, engineering and construction firms to implement paperless workflows and redefine the way they work, consistently resulting in faster and clearer communication, improved collaboration and reduced costs. Behind the scenes, the Bluebeam Team works collaboratively towards the common goal of helping our customers do what they do better. At Bluebeam hard work is recognized, new hires are encouraged to share their ideas and the environment is friendly, energetic and fun.

To learn more about what it is like to work at Bluebeam, watch our recruitment video: <http://www.bluebeam.com/work-at-bluebeam>.

Bluebeam Software has an immediate need for a **Video Production/Editor** with 2-3 years of experience to join our tight-knit Marketing team. This position is based in our corporate headquarters in Pasadena, CA and reports to our Creative Manager.

Here's what we're looking for someone to do:

- Assist the Creative team in the production and recording of videos.
- Review and edit footage from a multitude of customer visits, trade shows, events, etc.
- Be available to travel with the Creative Team to record customer visits, trade shows, events, etc.
- Create lots of helpful tutorials that engage viewers (and don't bore them) as you explain our product's most popular features. Don't worry; we'll train you on the product. Check out our current tutorials here:
 - <http://www.bluebeam.com/us/bluebeam-university/>
- Become proficient in the use of our software. Our video tutorials are a go-to source for product training after all, so it will need to be demonstrated confidently.
- Use your creativity to create fresh new designs that fit our unique style and provide support for existing campaigns.
- Share ideas! This is an opportunity to contribute to the creative process of product marketing.

Requirements:

- Must be proficient using Premiere, After Effects or any similar NLE software. Knowledge of Camtasia is a big plus.
- Production experience is a big plus.
- Proficiency in Illustrator and Photoshop is a plus.
- Must submit a portfolio along with resume for consideration.
- Must be a reliable self-starter who demonstrates professionalism, emotional maturity and sound judgment.
- Must be extremely comfortable learning new technology.

- Must possess a thoughtful design eye with attention to detail.
- Must be well organized and able to prioritize tasks.
- Bachelor's degree.

To apply, send an email to work@bluebeam.com including your resume, cover letter and link to an electronic portfolio. All candidates must be prepared to show samples of their work.
