Web Designer

Celebrating our 10th year, Bluebeam Software is a growing technology company made up of people who like to push the limits, be different and do great things. Our award-winning software is used by leading architecture, engineering and construction firms to implement paperless workflows and redefine the way they work, consistently resulting in faster and clearer communication, improved collaboration and reduced costs.

Behind the scenes, the Bluebeam Team works collaboratively towards the common goal of helping our customers do what they do better. At Bluebeam hard work is recognized, new hires are encouraged to share their ideas and the environment is friendly, energetic and fun. Learn more about our culture in this video.

Our Marketing Team is looking for a talented Web Designer with 1-3 years of experience to join the award-winning Creative Team in our Pasadena, CA office.

Here's what we're looking for a designer to do:
- Work with the Creative Manager in updating and managing our growing list of international websites and microsites.
- Assist in the updating and maintenance of our corporate website.
- Create HTML emails for our corporate communications, reseller channel, and our international market.
- Maintain cross-browser/platform compatibility and appearance.
- Use your creativity to create fresh new layouts and designs.
- Share ideas! This is an opportunity to contribute to the creative process of product marketing and create an exciting experience for our web visitors.

Requirements:
- Must be proficient using Dreamweaver, CSS, inline-CSS, HTML.
- Knowledgeable of basic SEO practices and Google Analytics.
- Familiarity with Javascript and ASP.NET.
- Familiarity with RSS.
- Knowledge of existing Javascript frameworks such as Mootools, script.aculo.us, etc. is a plus.
- Proficiency in Illustrator and Photoshop is a plus.
- Must submit a portfolio along with resume for consideration.
- Must be a reliable self-starter who demonstrates professionalism, emotional maturity and sound judgment.
- Must possess a thoughtful design eye with attention to detail.
- Must be well organized and able to prioritize tasks.
- Bachelors degree.

To apply, send an email to workcreative@bluebeam.com including your resume, cover letter and link to an electronic portfolio. If you don't have a portfolio available online, you can request information to upload to Bluebeam's FTP site. All candidates must be prepared to show samples of their work.
